

Jabra Elite 4 Active Noise Cancelling True Wireless In-Ear Headphones - Navy

Easily get into the groove of your workout sessions using the Jabra Elite 4 Active Noise Cancelling True Wireless In-Ear Headphones. Expertly crafted for your active lifestyle, this pair of headphones boast a secure active fit with IP57 water and sweatproof protection. It is also engineered with a closed acoustic design that eliminates unwanted noise to help you stay focused on your content. Additionally, it offers up to 28 hours of battery life, so it can keep you company all day long!

Key Features

Premium Sound: With its advanced audio engineering, the Jabra Elite 4 lets you enjoy rich and crisp audio quality, whether you're listening to songs, audiobooks, or podcasts.

Audio Immersion: Get fully immersed with your content as these headphones have an Active Noise Cancellation feature, which effectively blocks distracting noise.

Stay Alert: In just one tap, you can access the HearThrough function to help you be more aware of what's happening around you.

Be Heard Loud and Clear: Its integrated four microphones come with a special mesh covering to effectively cut down on wind noise. Now you can get crystal-clear phone calls anytime, anywhere.

Companion App: By downloading the Jabra Sound+ app, you'll be able to conveniently set up the Elite 4, have access to its equaliser, and activate Spotify Tap playback*. **Convenient Controls:** Easily

adjust your music and calls using its versatile buttons. For hands-free controls, this pair of headphones also support Alexa, Siri, and Google Assistant*. Robust Build: Jabra In-Ear Headphones flaunts an IP57 rating, providing reliable protection against water and sweat. Comfortable Listening: Thanks to its lightweight and wing-free design, you'll be able to enjoy your favourite songs in absolute comfort. Additionally, it comes with three pairs of EarGels to ensure a secure and perfect fit. Long-lasting Battery: The Elite 4 Headphones deliver up to 7 hours of battery life and 21 hours in the case, making it perfect for your everyday listening needs. It also supports Fast Charge to give you 1 hour of listening within only 10 minutes of charge. Mono Mode: For added flexibility, the Mono Mode enables you to independently use each earbud or take turns using one earbud while charging the other. Seamless Connections: Equipped with Bluetooth 5.2, these Jabra Wireless Headphones let you reliably connect to your compatible device without the dropouts. Additionally, it offers Google Fast Pair for quick and seamless pairing*. *Spotify Tap, Alexa Built-in, and Google Fast Pair compatible with Android OS 6.0 or higher.
