Immerse yourself in the tunes you love using the Samsung Galaxy Buds2 True Wireless Noise Cancelling In-Ear Headphones. Offering a new world of audio experience, this pair of earbuds seamlessly integrates advanced features such as Active Noise Cancelling, AI-based Intelligent Clear Call, Sound Customisation, Auto Switch, and more. It is also engineered with two-way dynamic speakers so you can feel every beat of your favourite music. Key Features Stylish Design: Samsung Galaxy Buds2 boasts a sleek, minimalist design that effortlessly looks good in your everyday outfits, whether you're in casual wear, uniform, or even business attire. Incredible Audio: With its two-way dynamic speakers, you'll be able to experience superior sound quality as you listen to your favourite playlists, audiobooks, or podcasts. It delivers a balanced sound, allowing you to hear every detail from rich bass to clear treble. Snug Fit: Enjoy comfortable listening sessions as these earbuds feature a lightweight construction with a weight of only 5g each. Additionally, its soft silicone tips come in three sizes to ensure the perfect fit. Listen Without Interruptions: To

help you be fully immersed with your music, it comes with an Active Noise Cancelling feature which lessens background noise by up to 98%. **Less Noise:** This pair of in-ear headphones combine three microphones and a built-in voice pickup unit, allowing you to take crystal-clear calls even when outdoors. It also incorporates an AI-based solution that effectively filters unwanted noise. **Sound Customisation:** Tailor your listening experience according to your various needs. You can choose between six equaliser settings, including Normal, Bass Boost, Soft, Dynamic, Clear, and Treble Boost. **Battery Life:** Thanks to its long-lasting battery, you'll be able to keep the music going for up to 7.5 hours, or 5 hours when the ANC feature is on. By slipping the earbuds into its fully charged case, you can also extend the playtime for up to 21.5 hours. **Convenient Charging:** Galaxy Buds2 supports Quick Charging, providing you with 1 hour of battery life within only 5 minutes of charging. For added ease, it also allows wireless charging. **Smooth Syncing:** It comes packed with an Auto Switch function, making it easy to switch between your different Samsung devices without needing to disconnect and connect the earbuds constantly*. *Auto Switch feature is only available on Samsung Galaxy smartphones and tablets with OneUI 3.1 or later and Galaxy Watch 4 series or later. Samsung Galaxy devices need to be logged in to Samsung Account to enable Auto Switch.
