

Sennheiser CX 400BT True Wireless In- Ear Headphones - White

Immerse yourself in the goodness of your music with the Sennheiser CX 400BT True Wireless In-Ear Headphones. Its ergonomic and user-friendly design will provide you with the comfort and convenience you need as you choose to accompany your daily life with music. You can delight in its wire-free structure and enjoy as you listen to your audio files for your entertainment. Key Features Superior Sound Quality: Enjoy all kinds of media entertainment with exceptional clarity. It delivers you high-fidelity sound with deep bass and a clear and detailed treble. It also has built-in equalisers that you can personalise to find the perfect sound quality for you. Audio Codec Support: It has a wide range of audio codec support inclusive of SBC, AAC, and aptX that helps keep the premium sound quality in any mobile device whether it may be an iOS or Android. Battery Life: You can enjoy up to 7 hours of playtime on a single charge and an additional 13 hours with the compact charging case. Customisable Touch Controls: Both earbuds have touch-sensitive interfaces to give you fast and convenient access to your voice assistants and control your music and calls.
