

# JBL Tune T225 True Wireless In-Ear Headphones - White

Stay connected wirelessly and indulge in pure music with the JBL Tune T225 Truly Wireless In-Ear Headphones. These earbuds allow you to listen to audio and take calls with no wires holding you back. Packed with seamless pairing, a Dual Connect feature, and up to 25 hours of battery life, the T225 lets you conveniently listen longer in comfort. Key Features Feel the deep thundering bass and bring your favourite tunes to life with the JBL Pure Bass sound and its fantastic 12 mm dynamic driver. The JBL Tune T225 Truly Wireless In-Ear Headphones enables you to listen with total freedom from wires. Never let messy and tangled cords get in the way of your listening experience. Supported by Bluetooth 5.0, you can enjoy stable and reliable connectivity. With up to 25 hours of battery life, you can keep the fun rolling all day. You can also replenish the battery from 0% to 100% in just around 2 hours. This Tune T225 comes with a sleek and stylish charging case, giving you convenient and fast access to your earbuds. These wireless earbuds are equipped with Dual Connect feature so you can enjoy music on one ear and/or make calls on the other simultaneously. By choosing to use either one or both earbuds, you can unlock ultimate versatility and efficiency. You can also keep one bud charging while still using the other one. Powered by Google, JBL Tune T225 lets you connect to your Android devices the moment you take them out of the case.
