

# JBL TUNE 500 Wired On-Ear Headphones - Black

Providing incredible sound quality and powerful bass, the JBL TUNE 500 Wired On-Ear Headphones is a must-have accessory for any music lover! It flaunts a plug and play system, a tangle-free cable, and a portable design to ensure maximum user convenience. Additionally, the TUNE 500 has a built-in remote button that allows you to activate Google Now or Siri to take hands-free calls and manage your music. Key Features

**Premium Sound:** Hear your music come alive with powerful sounds, crisp highs, and deep lows. JBL TUNE 500 is equipped with JBL Pure Bass Sound and 32mm drivers, providing a concert-like experience straight to your ears!

**One-Button Remote and Mic:** Conveniently control music playback and take hands-free calls, thanks to the integrated one-button remote with a mic. The headphone also lets you access Siri or Google Now with just a touch of a button.

**Wired Construction:** Enjoy music without worrying about low battery power. The TUNE 500 headphones feature a flat, tangle-free cable for convenient listening.

**Exceptional Wearing Comfort:** Offering hours of comfortable listening, this pair of headphones is engineered with a PU leather soft ear cushions and a padded headband.

**Portable Design:** JBL TUNE 500 sports a compact and lightweight design, making it ideal for on-the-go use. The device also folds up so you can easily pack it in your bag and take it anywhere you go.

**Stylish Range:** Listen in style as TUNE 500 On-Ear Headphones range is available in an array of eye-catching colours—including Black, White, and Blue (each sold separately).

**Broad Compatibility:** The headphone features a plug and play design for quick

access to great sounds. It also works seamlessly with most smartphones that employ a 3.5mm headphone jack.
