

# Breville Espresso Machine Water Filters - 6 Pack

These water filters from Breville reduce water hardness to improve the appearance and flavour of water for your espresso. Filters should be changed every 2 months, as indicated by the date dial on the filter holder handle inside the water tank. Suitable for use with the Oracle BES980, Dual Boiler BES920 & BES900, Barista Express BES870 & BES860 as well as Infuser BES840.
