

Mad Barista Madman Coffee Capsules

Note: These capsules are only compatible with Nespresso coffee capsule machines* Wake up to a Barista style coffee every morning with a Mad Barista Madman coffee. The Secret of the MadMan is the relaxed complexity of a rich Sumatran and Ethiopian coffee. It has spicy notes of cinnamon and dark currant tones that balance the bright acidity and lively fruit tones of South American and Ethiopian Coffee. MadMan begins with a satisfying heaviness on your palate, a big-bodied, syrupy taste with a clean finish. With an intense syrupy feel it delivers a full bodied flavour hit of bittersweet chocolate and maple syrup. This blend is an inspired correlation of sweet spicy and floral notes for a smooth relaxing flavoursome coffee. *Nespresso is a registered trademark of Societe des Produits Nestle S.A.
