

Oh Bubbles Drink Maker - Black

The 'Carbonate ANY Drink' Appliance you can go way beyond sparkling water with OH Bubbles. Looking to cut down on sugary sodas? Or searching for the perfect new drink? Then it's time to get fizzy with OH Bubbles. This is the best 'soda maker' that can directly carbonate any cold drink. Juices, iced tea or coffee, lemonade, energy drinks, wine, pre-mixed craft cocktails, and even flat soda or beer. OH Bubbles sparkles them all! Our proprietary Fizz Infuser technology is what makes this possible through controlled pressure release. Available in 5 colours to match your kitchen decor. OH Bubbles appliances are powered by standard 60L CO2 carbonator cylinders. Re-Carbonate any Drink. Compatible with 60L CO2 Cylinders. Small Foot Print. Carbonate any Drink, Not JUST Water Enjoy the sensation of sparkling water, juices, wine, cocktails, and even flat soda or beer. You're in control with the push of a button. Safe, Quick and Easy to Operate Oh Bubbles patented Fizz Infuser technology makes it safe even for kids to use. No electricity or batteries required. Clean parts by hand washing only. Be Creative, Drink Healthier OH Bubbles opens up a new world of possibilities to make sparkling drinks that weren't even possible to make before. You'll make new memories with family and friends. Elegantly Styled OH Bubbles is smartly designed and comes in five designer finishes to match any décor. Plus its small footprint saves counter space. Fizzer Bottles The Oh Bubbles bottles are made of BPA free food grade bottle material. 1L in size with 800ml usable capacity if fizzing. If you won't be using this to fizz then the full 1L capacity can be utilized.
