### Induction

### Cooktop

60cm 4 zone induction cooktop with FlexZone, 14 stage slide controls, Stop & Go and Hob2Hood capability. Key Features FlexZone Hob2Hood technology Touch and slide controls STOP & GO function Auto warm-up function Timer and minute minder Auto pot detection When 2 become 1 Create a single large cooking surface, ideal for making the most of plancha grill plates or roasting pots. FlexZone combines 2 separate cooking zones, including the temperature and time settings, for ultimate flexibility. The hands free hood While you concentrate on the flavours, the innovative Hob2Hood feature will take care of keeping your kitchen fresh. The rangehood automatically turns on as soon as you start cooking, and intuitively adjusts the fan speed with your cooking. Control at your fingertips The touch controls on this hob lets you heat up, down or switch off immediately. Just gently slide your finger across the control to the temperature you need and you can be confident it will respond right away, so you can create delicious meals effortlessly. The Stop & Go feature offers a useful keep warm setting if you're unexpectedly interrupted. Pause cooking with Stop and Go Created for those unexpected interruptions, the efficient Stop and Go function allows you to temporarily leave the cooktop on a keep-warm setting if you are called away. When you are ready to start cooking again, simply press Stop and Go, and the cooktop will restart again with your previous setting.
