

Mitsubishi Electric Ecocore GL42 Heat Pump / Air Conditioner

For the correct sizing of heat pumps and an installation quote please contact your local Harvey Norman store. Mitsubishi GL42 High Wall Heat Pump features Next Generation High Efficiency Compressor Technology developed and engineered specifically to use less power than ever before. With exceptional energy efficient heating and cooling comfort and unbeatable whisper quiet operation makes the GL42 ideal for heating medium sized rooms. Quietness Starting from barely a whisper, Mitsubishi GL42 allows you to feel the warmth, not hear it. The GL range starts from a hushed 19dBA indoor sound and contains New Zealand's quietest heat pumps ever. Energy Efficiency Combining efficient technology with unique energy saving features Mitsubishi GL Series systems will contribute to reduced energy consumption in your home or office. Mitsubishi i-save and Econo Cool modes are included on all GL models. i-save mode allows you to save temperature and fan speed combinations, returning to these at the touch of a button and Econo Cool provides maximum energy efficiency in cooling mode. R32 Refrigerant R32 is a refrigerant with just one-third the global warming potential of R410A and has zero ozone depletion potential. R32 offers increased energy efficiency, and is said to be the next generation of refrigerants Low Stand By Power Boasting 1W standby power, a reduction of around 90% on previous standby

power consumption Blue Fin Condenser The heat exchanger of the outdoor has been treated with blue fin anti-corrosion treatment slowing the corrosion process caused by salt, sulphur etc in the air especially in coastal/high sulphur areas. 7-Day Programmable Hand Held Controller Advanced infrared controller allowing the programming of up to four settings (per 24 hour period) including start/stop operation and temperature settings over a 7 day period. This eliminates the need to reset the timer daily. You can program your heat pump to start up before you wake or return home and regulate your energy usage without compromising on comfort. Optional Wi-Fi Control Upgrade With the addition of award winning Mitsubishi Electric Wi-Fi Control, you can control and monitor your heat pump from absolutely anywhere via your smartphone, tablet or online account.

Features

All Product Details

Brand	Mitsubishi
Product Type	Heat Pump/Air Conditioner
Model	MSZ-GL42VGD
Colour	White

Heat Pump/Air Conditioner Features

Heating Capacity	5.4kW
Cooling Capacity	4.2kW

Energy

Energy Star	Cooling 2.5 - Heating 3
--------------------	-------------------------

Dimensions

Height	290mm
Width	799mm
Depth	232mm

Warranty

Manufacturers 60 Months
