

Panasonic Z25 Floor Console Heat Pump / Air Conditioner

For the correct sizing of heat pumps and an installation quote please contact your local Harvey Norman store. Panasonic's new Premier Series Floor Console with nanoe™ X air-purifying system: outstanding efficiency, comfort, and healthy air combined with a breakthrough design. nanoe™ Technology nanoe™ eliminates micro-organisms – removing 99% of airborne bacteria, viruses and mould. It also catches and deactivates 99% of bacteria and viruses on surfaces and in the filter, resulting in a cleaner and healthier home. nanoe™ releases negative ions which surround the AC. These ions will attach themselves to dust particles which follow the airflow into air conditioner's air intake. These negatively charged dust particles are then trapped by the positively charged filter and deactivated. Benefits range widely from inhibiting viruses and bacteria, preventing the growth of mould and allergens, and protecting skin from dryness. Compact Design The design features a flat, elegant front panel that provides a neat appearance and the unit can be recessed into a wall up to 50mm. Control & Connectivity Control your air conditioning with the smart internet control device via smartphones or tablets. Super Quiet The indoor and outdoor units deliver quiet operation and pressing the Quiet mode button lowers operation noise even further to just 19dB for indoor unit with low fan speed.

Specifications: Cooling Capacity (kW) 2.50 (0.85~3.40)
Heating Capacity (kW) 3.40 (0.85~5.00) Air Flow (L/s)
163173 Dehumid (L/h) 1.5 Running Current (A)
2.303.25 Power Input (W) 500 (240~900)740

(240~1,350) EER/COP (W/W) 5.00 (3.54~3.78)4.59
(3.54~3.70) Star Rating 5.04.5 Inside Sound Pressure
Level (dB) (Hi/Lo/S-Lo) 38/25/2038/25/19 Outside
Sound Pressure Level (dB) (Hi/S-Lo) 46/--47/-- Sound
Power Level (dB) (Hi/S-Lo) 61/--62/-- Net Weight (kg)
13 (33) Dimensions (h x w x d) (mm) 600 x 750 x207
(542 x 780 x 289) Refrigerant Pipe Diameter - Liquid
Side (mm/(in)) 6.35(1/4) Refrigerant Pipe Diameter -
Gas Side (mm/(in)) 9.52(3/8) Pipe Extension Length
Min~Max (m) 3~20 Pipe Length for Additional Gas (m)
7.5 Additional Gas Amount (g/m) 10 Power Supply
Outdoor Operating Range (Outdoor) - Cooling (°C)
-10~+46 Operating Range (Outdoor) - Heating (°C)
-15~+24

Features

All Product Details

Brand	Panasonic
Product Type	Heat Pump/Air Conditioner
Model	CS/CU-Z25UFR

Heat Pump/Air Conditioner Features

Heating Capacity	3.4kW
Cooling Capacity	2.5kW

Warranty

Manufacturers	60 Months
