

Sunbeam FoodSaver Lock & Seal Vacuum Sealer

The most compact FoodSaver® roll machine, with an easy to use one touch locking lever and one touch Seal or Vacuum Seal button control. Also includes an accessory hose adaptor so you can also use to vacuum seal FoodSaver® containers and vacuum zipper bags. Commercial Quality Vacuum Using a patented vacuum packaging system, the FoodSaver® removes air from specially designed bags, to create a commercial quality vacuum. FoodSaver locks out air & seals freshness in, to keep food fresh up to 5 X longer. Easy to Use Simply fill bag. Turn the lever to lock the lid. Then press Seal or Vac Seal button to activate vacuum and sealing process.
