

Breville Soft Top Pure Kettle

A soft grip handle, and a soft opening lid combine so making a cuppa is almost as tranquil as drinking one. The push button, soft opening lid prevents hot water splattering, and staggers steam release. 1.7 litre cordless jug, high visibility BPA free water windows, concealed element, and a removable scale filter. Tranquility comes standard. 1.7L capacity Push-button slow release lid prevents hot water splashes when opening Auto-off senses internal pressure and turns off once boiled Dual high visibility windows make filling fast & easy Removable scale filter
