

Kenwood Titanium Patissier Mixer

Baking your favourite treats is now made easy with the Kenwood Titanium Patissier Mixer. Perfect for the home baker, this mixing device features intuitive SimpleTouch presets, which enables you to proof dough, melt chocolate, whisk egg white, make Swiss meringue, knead the dough, and do the all-in-one cake method. It also comes with EasyWeigh scales so you can conveniently weigh your ingredients inside the bowl. Key Features Kenwood Titanium Patissier Mixer utilises a digitally controlled motor, ensuring that it delivers precise and efficient performance. It also comes with 13 speeds, including the Pulse and Fold Function. For optimum results, its 7L EasyWarm bowl incorporates gentle heat into your mix. It enables you to prove bread and melt chocolate 33% faster than using a bain-marie*. Thanks to the EasyWeigh scales, you no longer need to weigh your ingredients separately before mixing. Additionally, it offers soft-start speed control for mess-free baking. The Titanium Chef Patissier comes with a 2.4-inch BakeAssist touchscreen, delivering accurate control for your mixing needs. It offers six SimpleTouch presets for chocolate melting, egg white whisking, dough kneading, dough proving, all in one cake and Swiss meringue. With the patented BowlBright light, you'll be able to have a clearer view of your mix's texture, consistency, and colour. It is designed to be 14x brighter and delivers shadow-less visibility**. The integrated LightLift Head lets you quickly access the mixing bowl after the mixing process. Seamlessly swap bowls and continue with your baking tasks. Aside from its 7L EasyWarm bowl, this mixer comes with another stainless-steel bowl that can accommodate 5L of mixtures. To address your different baking needs, it comes packed with dishwasher-safe attachments such as a creaming beater, dough hook, k-beater, and whisk.

You can also further expand your creativity using the over 25 optional attachments. The box includes 1x Kenwood Titanium Chef Patissier XL Mixer, 1x 7L Stainless Steel Bowl, 1x 5L Stainless Steel Bowl, 1x K-Beater Attachment, 1x Wire Whisk Attachment, 1x Dough Hook Attachment, 1x Creaming Beater, and 1x User Guide. *33% faster chocolate melting than a Bain Marie. Internal test with melting 100g of chocolate. **Compared to non-illuminated Kenwood Mixers.
