

KitchenAid

2.8L Bowl

Extended Range Item | Available by Special Order Only
Delivery expectation: approximately 2 weeks
KitchenAid mixer sold separately
Mix ingredients with ease in the KitchenAid 2.8L Stainless Steel Mixing Bowl. Key Features The KitchenAid 2.8L (3 Quart) Stainless Steel Mixing Bowl integrates with the standard 4.8L bowl, making it ideal for mixing smaller batches of ingredients. Dishwasher-safe, this mixing bowl is easy to clean and maintain. Showcasing a stainless steel surface and a brushed steel interior, this KitchenAid bowl is both stylish and durable. This stainless steel mixing bowl is suitable for the 5KSM156, 5KSM150, 5KSM160, and 5KSM155 models only.
