

DeLonghi Icona 4 Slice Toaster - Red

PLEASE NOTE THIS PRODUCT IS NOT AVAILABLE IN ALL STORES BUT CAN BE ORDERED The DeLonghi Icona Capitals 4 Slice has multiple toasting slots, variable browning control, and sophisticated design, letting you conveniently create tasty breakfast while also adding a luxurious touch to your kitchen. Its 4-slice capacity makes it an ideal choice for large, busy households. Icona Capitals Design Icona Capitals design was inspired by the outstanding architecture, landscapes and features from some truly incredible cities. Gentle sweeping lines and purposeful curves marry with angled chrome to create a modern yet timeless look, with influences from the four corners of the globe. Browning Controls The electronic pre-set functions for progressive browning include defrost, reheat, one-side bagel and cancel for total control on the toasting process. 2 Crumb Trays The four-slice toaster features two fully removable crumb trays for easy cleaning. Extra-lift Position The exclusive Extra-Lift position is designed for an easy removal of small slices.
