

Euroflex M4S Vapour Hybrid Steam Cleaner

With the Euroflex M4S Vapour Hybrid Steam Cleaner, you can effortlessly keep your home clean and hygienic. Make use of its versatile body to remove dirt from all kinds of floors and sanitise hard surfaces in your place. Instead of using large amounts of toxic cleaning solutions, the M4S Vapour only needs a small amount of water to produce pressurised steam and eliminate germs, viruses, moulds, and odours. With this device, you can conveniently keep your home looking new in a much safer and eco-friendly way. Key Features Handle stubborn marks on floors without breaking a sweat. The Euroflex M4S Vapour Hybrid Steam Cleaner combines its boiler and hot-plate base to continuously deliver hot steam, penetrating through persistent stains and dirt on any floors. Unlike standard steam mops, the M4S cleaner is hotter and dryer, so you can enjoy better cleaning results! It effectively dissolves and extricates dirt without leaving any unsightly watermarks or streaking. Keep the steam inside the machine! Thanks to its Electronic Steam Release function, the Euroflex cleaner makes sure that no steam is wasted while cleaning. Dust mites don't stand a chance! The complimentary carpet sledge can efficiently renew carpets or rugs and eliminate dust mites. In addition, it incorporates four front jets and six steam outlets so that the steam is evenly distributed in the floor pads. Take care of your floors with this device. Simply convert it into an upright floor cleaner, and you can efficiently clean hard, sealed, smooth, and water sensitive floors with ease. Transform the Euroflex M4S Vapour into a portable tool for multipurpose cleaning! It comes with a full range of accessories for glass surfaces, grouts, kitchen counters, bathrooms and other parts of your home. Stay on top of your chores as the Euroflex M4S Vapour Hybrid Steam Cleaner gets ready in just about 3

minutes. Additionally, the steam cleaner has a running time of 20 minutes before refilling its 0.6L water tank. It has a 1.35-metre hose length, making the steamer easier to use in portable mode. Thanks to its 7-metre cord, connecting this steam cleaner to an outlet is a breeze. It comes with two washable and reusable super-absorbent microfibre pads, perfect for lifting and holding dirt. Keep your floors safe by putting the M4S Steam Cleaner on the provided parking pad after every use before storing it away. The Euroflex M4S only needs a little water to make a large amount of steam. It also employs a controlled thermostat to save on power costs in the long run. The package consists of the M4S Vapour Hybrid Steam Cleaner comes, 2x Hard Floor microfibre pads with scrubbing insert (washable), 1x Carpet sledge with microfibre pad (washable), 2x Extension tubes, 1x Parking pad, 1x Filling cup, 1x Funnel, 1x Window tool, 1x Tile grout cleaning tool, 1x Small brush with adaptor, 2x Fitted microfibre pad for small brush, 1x Detail nozzle, 2x Round nylon brushes for Detail Nozzle, 1x Scraper knife for Detail Nozzle, 1x Accessory storage bag, 1x Instruction Manual, 1x Warranty Certificate, and 1x Warranty Registration Card.
