

# Electrolux Vacuum Bags

s-bag® Ultra Long Performance is the ultimate original standard vacuum bag for top cleaning results designed for most ELECTROLUX vacuum cleaners: AirMax/GREEN, Bolido, Clario, Clario2, ErgoSpace/GREEN, Essensio, Excellio, JetMaxx/GREEN, Maximus, Mondo Plus, Oxy3system, Oxygen, Oxygen+, Superpro, UltraOne/GREEN, UltraSilencer/GREEN, Viva Control, Viva Quickstop, PURED9 The unique features of the s-bag® Ultra Long Performance are: Ultra Long lasting performance: s-bag® Ultra Long Performance lasts 2x longer than traditional vacuum cleaner paper bags and has an optimal capacity of 5 litres. This bag provides convincing top cleaning results over a much longer period of time. Extreme suction power: the new high performance synthetic material of this bag ensures optimum air flow and gives your vacuum cleaner extreme suction power during the entire lifetime of the vacuum bag. High filtration capacity: thanks to excellent filtration in the multi-layer material, even the finest particles are captured, contributing to a better cleaning result and clean air quality in your home. Hygienic and easy to change: designed with special folding and a unique patented cardboard, this vacuum bag is easy to fit in the cleaner, and hygienic as the bag automatically seals when removed, preventing any spillage and making bag changes quick and clean. For optimum performance, bags should be changed regularly and filters should be changed with every 3rd vacuum bag. All filters should be replaced at least twice a year or when they become visibly soiled. The use of non genuine s-bag® vacuum bags may adversely affect the performance of your vacuum cleaner. This pack includes 3 s-bag® Ultra Long Performance vacuum

## Features

### All Product Details
