

Miele C2 Compact Vacuum Cleaner

Offering 1800W of power, a 10m operating range, and multiple cleaning accessories, the Miele Compact C2 Vacuum Cleaner is a handy and efficient equipment for keeping your home clean with ease. Key Features: Driven by a Powerline motor, the Miele Compact C2 Vacuum Cleaner provides great performance to deliver excellent cleaning results. The C2 vacuum cleaner comes with various accessories such as a dusting brush, an upholstery nozzle, a vario clip, and a crevice nozzle to suit your cleaning requirements. Using this Compact vacuum cleaner's rotary dial, you get to conveniently select your desired setting to adapt to your demands. With 3-point manoeuvrability and a lightweight design, this vacuum cleaner can be conveniently moved around the house for easy cleaning. It also has a compact telescopic tube for simple storage. This Miele Compact C2 Vacuum Cleaner has an AirClean filter, providing clean exhaust air.
