

D-Link COVR- X1873 AX1800 Dual Band Seamless Mesh Wi-Fi 6 System - 3 Pack

Introducing D-Link's COVR-X1873 AX1800 Dual Band Seamless Mesh Wi-Fi 6 System, the perfect solution for extending your current network. Indeed a revolutionary system, AX1800 packs tons of features such as Smart Roaming, MU-MIMO Technology, WPA3 Encryption and more. Integrate next-generation Wi-Fi technology in your home and bask in blazing-fast connection speeds! Key Features Built for modern homes and device-heavy users, our COVR-X1870 Series offers an ultra-fast mesh network. It utilises Wi-Fi 6 technology with impressive speeds up to 1.8 Gbps (574 + 1200). Dual-band Wi-Fi allows you to enjoy 4K streaming, seamless gaming, and uninterrupted video chatting. The COVR Series features industry-standard WPA3 (Wi-Fi Protected Access protocol), which encrypts user data and shields your networks from external threats. Thanks to the Target Wake Time (TWT) technology, the connected devices in the system will have extended battery life. You can use its 4 Gigabit Ethernet LAN ports and 1 Gigabit Ethernet WAN port for optional wired connectivity (per unit). COVR employs one wireless network name (SSID) for your whole system. You don't need to remember different usernames and passwords for various network points around your household. The COVR can accommodate areas up to

8000 sq ft/740 sq m. To jumpstart your whole-home mesh networking journey and enjoy hitch-free connections, just add extra COVR Series Points around your home. Say goodbye to annoying dropouts, buffering, and lags with OFDMA and MU-MIMO technology! Each COVR Point helps diminish dead Wi-Fi zones and helps promote unyielding connections. No more disconnection and reconnection cycles! With smart roaming, you can stay continuously connected to the most prominent signal. Now you can freely move around your house without worries. With the help of the D-Link Wi-Fi app, you can experience a quick and straightforward installation process. The system supports Google Assistant and Alexa so that you can make hands-free commands. More features include Profile-based Parental Controls, QoS, Quick VPN, IPv6 6rd, DS-Lite, Triple-play VLAN, and built-in Speedtest powered by Ookla. The package includes 3x COVR-X1870 Covr Points, 3x Power adapter, 1x Ethernet Cable, 1x Quick Installation Card, and 1x Simple Setup Guide.

Features

All Product Details

Brand	D-Link
Product Type	Mesh Networking
Model Number	COVR-X1873

Dimensions

Product Width	10 cm
Product Depth	10 cm
Product Height	19.4 cm
Product Weight	.38 kg

Warranty

Manufacturers	36 Months
