

Philips Hue Outdoor Colour Lightstrip - 5M

Fully flexible, this Philips Hue Outdoor ColourLightstrip is designed to bring a beautiful ambience outside your home during special occasions. It also helps keep your garden or pathway illuminated at night. Thanks to its weatherproof structure, this light strip is suitable to use under any weather conditions. Key Features Create the effect you want as this light strip lets you choose from 16 million colours and all shades of white on the Hue app (download required). Schedule your Philips Hue lights to turn on and off automatically in a specific time, so you won't have to worry about managing them in the morning or at night. Thanks to its weatherproof structure, the Hue light strip is designed to withstand small puddles of water and splashes from any direction. The Philips Lightstrip has a flexible body, making it easier to shape and bend the way you want on any surface. Manage the Philips Hue Outdoor ColourLightstrip with the Hue Bridge (sold separately) and its companion app for wireless light setting adjustments. It supports voice-activated commands that are compatible with Amazon Alexa, Apple Homekit, and Google Assistant.
