

Ring Stick Up Camera Elite - Black

This Wired Stick Up Camera from Ring makes it easier for you to monitor your home. With versatile mounting options, it works on both indoor and outdoor settings and can be attached to the ceiling, placed on a table, or even to a wall. It is an excellent addition to your home security system, helping you have peace of mind even you're not at home. Key Features Infrared Night Vision: Aside from the 1080p high-definition video resolution that it offers, this Stick Up Cam has a night vision mode for a more unobstructed visibility at night for both live view and recorded motion. Motion-Detection Sensitivity: It recognises motion and alerts you immediately by sending your smartphone a notification. You can choose distinct areas where you want to keep an eye on and get instant alerts. Easy Installation: You can place it anywhere you want. It can be positioned on a table, to the ceiling, or your wall. Two-Way Audio: It supports two-way communication and has a noise cancellation feature to let you communicate conveniently. Power Connectivity Options: The Stick Up Cam operates with both Power over Ethernet and Power via Micro USB cable. Its rechargeable battery lasts for up to six to twelve months. Alexa-Compatible: This security camera is Alexa-integrated. It can perform through your voice assistant.
