

Remington Shine Revival Ceramic Hair Straightener

Recreate salon-sleek hairstyles at home with the Remington's Shine Revival Ceramic Straightener. It incorporates 110mm ceramic plates coated with Moroccan Argan oil, effectively conditioning your hair and giving it more shine. It also provides digital heat from 140° to 230° C to cater to your various styling needs. Plus, it comes with a heat-resistant storage pouch and a vent brush, giving the best value for your money! Key Features Easily get sleek, and smooth hair as the Remington Shine Revival features advanced 110mm ceramic plates infused with Moroccan Argan Oil. To accommodate different hair types, you can easily adjust the heat settings and choose from 140°C to 230°C. This Hair Straightener offers a 15-second heat-up time, letting you start styling in no time. It also has a Turbo Boost Function to further speed up your styling sessions. Thanks to its floating plates, you'll be able to effortlessly maintain contact while straightening your hair. Additionally, its 110mm plates enable you to cover large sections of your hair. Shine Revival is suitable for both wet and dry hair. It also includes a vent brush so you can gently comb your locks without worrying about breakage. Featuring a worldwide voltage, you can conveniently bring this straightener wherever you go. Simply plug it and it will intelligently adjust to the correct voltage. It comes with an automatic safety shut off feature, so you don't need to worry about overheating. For added user convenience, this Remington device offers a hinge lock, salon-swivel cord, and temperature lock function. The package contains Shine Revival Straightener, a heat-proof storage pouch, and a vent brush.
