Get a more streamlined brushing experience with the Philips Sonicare Prestige 9900 HX9992/22 Electric Toothbrush. This device uses SenseIQ technology that observes your brushing process and provides you with real-time feedback on how you can improve it over time. It also features angled bristles that can efficiently remove more plaque than your regular toothbrush. Plus, the Prestige 9900 electric toothbrush comes with a handy travel case with a USB-C port, making it easy to bring anywhere. Key Features Take your brushing experience to the next level with the Philips Sonicare Prestige 9900 Electric Toothbrush. Its SenseIQ technology adapts to your brushing style and provides more personalised guidance when cleaning your mouth. Philips' Sonicare Electric Toothbrush leaves your mouth feeling exceptionally fresh and clean, with up to 62,000 bristle movements and dynamic fluid action. It features an A3 Premium All-in-One brush head with angled bristles, making it easier to remove up to 20x plaques, even in hard-to-reach areas\*. Its triangular tips and longer bristles can easily remove more stains within two days\*\* and leave your gums 15x healthier after two weeks\*\*\*. With the Philips Sonicare app (download required), you'll get real-time updates, suggestions, and personalised advice on the best way to clean your

teeth. This includes pressure, motion, coverage, duration, and frequency. Sleek and compact, the Prestige 9900 comes with state-of-the-art technology, encased in a portable package. It also incorporates premium materials that feel comfortable to the touch. The box includes a stylish stand that doubles as a charging base. You can use it to recharge and keep your Prestige 9900 toothbrush after each use. Philips' Sonicare Prestige 9900 packs a battery life that can last for 2+ weeks in just about 16 hours of charge time. Additionally, it has an auto shut-off function to conserve battery power after a certain time of inactivity. Keep your mouth clean no matter where you go! The soft-touch vegan-friendly leather travel case makes it easy to pack in your bags and take wherever. Additionally, the case features a USB-C port and a USB power cable, allowing you to charge your toothbrush without taking it out of the case. Included in the case is the Philips Prestige 9000 Handle, 1x Premium All-in-One Brush Head, 1x Tongue Care Attachment, 1x Premium Base Charger, and 1x USB Travel Case. \*vs. a manual toothbrush. \*\*based on two periods of two-minute brushings per day on standard mode. \*\*\*in lab test vs. a manual toothbrush .
