

Wahl Beard & Stubble Rechargeable Trimmer

The Wahl Beard and Stubble Trimmer offers multiple guide combs and a compact, ergonomic design, so you can easily maintain your sideburns, stubble, and beard even when out and about. Key Features For a clean, precise shave every time, the Wahl Beard and Stubble Trimmer uses carbon steel self-sharpening blades. This trimmer comes with multiple guide combs (1.5mm to 13mm), allowing you to cut your facial hair in your desired length. Prevent this trimmer from accidentally getting switched on inside your bag using its travel lock. Simply plug this Wahl trimmer to the mains power for continuous use or enjoy up to 60 minutes of cordless use when fully charged.
