

Panasonic KX-TG2723 Triple Handset Cordless Phone

Home communications have never been more advanced. This incredibly intelligent cordless phone will make you wonder how you ever did without the convenience of Hands Free Speakerphone, Clear Conversation and the ability to use Caller Identification. Easy-to-Use Handset Clear Sound System ensures clear conversation with less voice interruptions even in the backyard or garage, allowing you to enjoy smooth, error-free conversation far away from the base unit. Hands Free Speakerphone The hands free speakerphone lets you talk on the phone even when you're busy cooking, cleaning, using your PC or doing just about anything. It's also handy for talking notes, typing etc. One Touch ECO Mode One Touch ECO Mode lets you lower the power consumption. You can easily turn on the ECO Mode on the handset and the signal output is reduced by 90%. Easy Caller Identification Easy Caller Identification unique technology thanks to Caller ID 1 capability, you'll be able to see the phone number of an incoming call on the LCD. If the caller is registered in the phonebook, their name will be displayed on the screen.
