

Panasonic KX- TGD320NZN Single Handset Cordless Phone

The Panasonic KX-TGD320NZN Single Cordless Phone demonstrates fundamental functionality and ensures high performance as an ideal home phone with a valuable Answer Machine. Stay on top of errands and customise this Phone's settings to meet your everyday routine via its beneficial features which include an Advance Alarm Clock, a Power Failure Talk System and a Night Mode with more expediency ahead. Key Features Modern: this Panasonic Phone boasts a sturdy, flat and solid design to ensure secure placement within your home, while use is made easy via its clear 1.8" 4 Line LCD Display. Precise: boasts a clear sound system through its large speaker which is built into the base unit, and also features Noise Reduction for maintaining clarity during use. Practical: organise your contacts with this Cordless Phone's embedded 120 Name & Number Phone Book, set alarms ahead of time with its Advance Alarm Clock, or register unwanted numbers with its One Touch Nuisance Call Block while talking or when the phone is ringing. Expedient: take calls via Speaker Phone, fast-forward or rewind messages, and easily save power thanks to its efficient One Touch Eco Mode.
