

B&O Play E8 Wireless In- Ear Headphones

Never miss a beat with the B&O Play E8 Wireless In-Ear Headphones. This pair of headphones is tuned by acclaimed Bang & Olufsen sound engineers which provide a rich and natural listening experience. It also offers a battery life that can last for up to 4 hours of playtime and an additional 8 hours when inserted in its charging case. Key Features Intuitive Touch Control: With just a tap on its earpiece, the B&O Play E8 Headphones allow you to conveniently control your audio, answer calls and activate voice commands. Comfortable Design: Combining comfort and style, this pair of Play E8 Headphones is constructed with leather, aluminium, stainless steel and braided textile cord. Charging Case: The B&O Play E8 Headphones is equipped with a genuine leather charging case that swiftly slips into bags and pouches. This charging case also provides 8 hours of power, allowing you to extend your listening sessions. Tough Build: To ensure its capability last, the B&O Play E8 Wireless Headphones is constructed with durable rubber and polymer which can withstand sweat, wear and tear. Transparency Mode: The Play E8 Wireless In-Ear Headphones offers three levels of transparency mode, enabling you to immerse yourself with your favourite songs or hear the sound around you. This feature can be accessed by installing the B&O App on your smartphone.
