

Technics AZ70 Wireless Noise Cancelling In- Ear Headphones - Silver

Enjoy a true sound experience with the Technics AZ70 Wireless Noise Cancelling In-Ear Headphones. Compact and wireless, this pair of headphones allow you to jam to your favourite songs and podcasts without worrying from cables. It also comes with a MEMS microphone, so you can take calls and access your compatible voice assistant. Key Features Sound: The Technics Wireless Headphones is engineered with a large diameter 10mm dynamic driver that creates a wide sound field and delivers rich bass. For a more balanced, precise, and clear sound, it is also reinforced with Acoustic Control Chamber and Graphene coated PEEK diaphragm. Noise-Cancelling: Ideal for immersive listening, this pair of Technics AZ70 Headphones utilises a Dual Hybrid Noise Cancelling Technology. Excellent Quality Call Sound: The Technics AZ70 Headphones let you easily connect with your family and friends as it is equipped with a High-Performance MEMS Microphone. Powered with Beamforming technology, this pair of headphones also effectively holds in ambient noise to ensure that your voice will be heard. Stable Connection: Saving you from the trouble of wires, the AZ70 Headphones is integrated with Bluetooth Connectivity. It also supports a Left-Right Independent Signalling System that provides a reliable connection and balanced sound between the right and left channels. Elegant and Stylish Design: The AZ70

Noise Cancelling In-Ear Headphones boasts its compact circular design that effortlessly suits different settings. It also comes with a lightweight charging cradle, enabling you to power up and carry your headphones anywhere you go.
