

Jabra Talk 15 Bluetooth Headset - Black

With the enhanced audio technology of the Jabra Talk 15 Bluetooth Headset, making or taking calls is made simpler. You can delight in its wire-free structure and enjoy extended calls. It also lets you listen to your audio files for your entertainment. Engineered with high-quality materials, this Jabra Bluetooth Headset is the ideal device for your daily wireless conversations. Key Features High-Quality Microphone and Speaker: Jabra Talk 15 Bluetooth Headset is enriched with features that optimise its high-quality microphone and speaker to give you crystal clear conversations. Wireless Streaming: Effortlessly stream GPS directions and audio files from your smartphone with the help of Jabra Talk 15. Battery Life: With up to 6 hours of calls and up to 14 days of standby time, you can easily have longer Bluetooth wireless calls throughout the day on just a single charge. Charge time usually lasts for approximately 2 hours. Connectivity: Integrated with Bluetooth 3.0, this headset can easily connect to various compatible Bluetooth devices. You can also pair this headset with up to 8 devices within a wireless range of up to 33 feet. Thanks to its MultiUse feature, you can connect two devices simultaneously. In-Ear Wearing Style: For your comfort and convenience, Jabra Talk 15 Bluetooth Headset has an in-ear wearing design and can be used with or without the ear hook.
