

Cygnett

Armoured 3.1

USB-C to USB-C Cable 1m - Black

The CygnettArmoured 3.1 USB-C to USB-C Cable is a brilliant creation from Cygnett that is best to use with USB-C enabled devices like laptops, tablets, and phones. It incorporates the DuPont™ Kevlar® Core technology in its double braided nylon housing, making it robust and sturdy. It also allows you to charge up your devices at high speed available. Key Features Durable: Fortified with DuPont™ Kevlar® aramid fibre Technology, this cord ensures resistance to chemicals and extreme temperatures. Tough Exterior: The double-braided nylon exterior of this cable protects and prevents damages and deteriorations. Its cable connectors are made from stainless steel, making it aesthetically pleasing while still providing superior resistance from scratches and corrosion. Functional: It supports many platforms, including cameras, smartphones, tablets, laptops, game consoles, and more. Fast Charging: Power up your devices quickly with 5A/100W turbocharging. Transfer Speed: Up to 10Gbps transfer speed to sync your files across different platforms quickly and efficiently. Length: You can charge or connect your device even from a distance with this 1-metre cable.
