

Samsung Dual USB Type-C Fast Car Charger

With Fast Charge technology, your battery can go from zero to up to 50% in about 30 minutes, so you can spend less time connected to an outlet and more time connecting with people you care about. Wired Fast Charge is compatible with the Samsung Galaxy S6 and Galaxy Note 4 and later models of the Galaxy S and Galaxy Note series. Key Features Features two high-speed dual charging port to keep you powered up on the move and detachable USB to USB Type-C cable that lets you charge other USB Type-C devices. You can swap out the detachable USB Type-C cable for a Micro USB cable and still get the same quick charging capabilities. Its compact design means it is small enough to not get in the way while driving. Samsung's charging technology powers your phone while it charges its battery, so you can make calls, check your messages or browse the Web while your phone is charging.
