

Evutec Karbon Case for iPhone XS Max - Black

Protect your phone from drops and abrasions with the Karbon Case for iPhone XS Max. It combines an ultra-slim profile and the strength to withstand sudden accidents, leaving your phone protected. Engineered with Evusof+, that allows better shock absorption while maintaining its structure and colour. It gives you easy access to all ports and connectors, resulting to better and convenient operations. Key Features Evutec's Karbon Case is built with a specialised blend of shock-resistant TPU and passed the military-grade testing. It is designed to withstand up to 4ft of drop, keeping your devices safe and in good condition. Created with tactile buttons and easy access to all ports and connectors, providing better operations on all devices. The Evutec case is compatible with your iPhone XS Max's wireless charging feature, making it easier to charge your phone without using any cables. This case is under the AER series, with an aim to give you an ultra-slim profile. With its minimal structure, this case effortlessly accentuates you and your stylish vibe. *iPhone XS Max not included.
