The Strontium Nitro Micro SD Card with Adapter offers impressive data storage of music, full high-definition videos, high resolution photos and games in a tiny body with ultra high performance. Equipped with a high speed +ö+ç-úClass 10" rating, our UHS-1 microSDHC card maximises the UHS-I technology to deliver a read transfer speed of up to 85MB/s (566X) Key Features Ultra High Speed Performance: Equipped with a high speed +ö+ç-úClass 10" rating, our UHS-1 microSDHC card maximizes the UHS-I technology to deliver a read transfer speed of up to 85MB/s (566X). Hence, it makes it simple to rapidly acquires, plays back, and transfers media data, including extended durations of 1080p full-HD and 3D videos. Built for the harshest conditions: Durability tested to secure your data from everyday mishaps - water proof, magnet proof, temperature proof and X-ray proof. Bring your smartphones, tablets, or camcorders to the mountains, the sea, or the desert. Even if your personal device doesn't make it through, your Strontium memory card will. USB Card Reader and Adapter included: Strontium's 3-in-1 Mobility Kit combines a microSD card with an USB card reader and a SD adapter to allow mobile users flexible storage to access multiple digital devices, from computers and

cameras to smartphones & tablets. Up to 32GB: Allows you to capture, carry, and keep all those moments at your fingertips, so you can record all of life's exciting moments.
