

# Zagg Invisibleshield Glass & Screen Protector for Samsung Galaxy Tab A 9.7"

Keep your device's screen safe from scratches and cracks with Zagg InvisibleShield Glass. It can give your Samsung Galaxy Tab A's display the maximum protection by keeping it pristine. Zagg revolutionised its InvisibleShield Glass to intensify the strength and durability that it offers for your precious smartphone's screen. Key Features Smudge-Resistant and Easy to Clean: It is made to resist oil and to prevent fingerprint smears and smudges. You can also clean your screen effortlessly and keep it looking brand new. Touch Sensitivity: Even with screen protection, you will have the same exceptional responsiveness of an unprotected screen. 100% Clarity: Designed to enhance the optics of your device's screen precisely, you will be able to enjoy clear images in HD clarity like it doesn't have a screen protector. Easy Application: Thanks to the EZ Apply tabs, an installation tray, and a rubber install mat, applying the screen protector to your device will be hassle-free, seamless, and accurate. \*Galaxy Tab A not included
