

Zagg InvisibleShield Glass+ Screen Protector for iPhone 6/6s/7/8

Express your love for your iPhone and guard it with this InvisibleShield Glass+ Screen Protector. Zagg made sure to protect your device completely with their equipped and enhanced features that will perfectly go with your iPhone6/6s/7/8. Key Features

- 3x Shatter Protection:** Fortified by Ion Matrix™ technology, your screen will be protected at maximum level and have an ultimate defence against drops and scratches.
- 100% Clarity:** Designed to enhance the optics of your device's screen precisely, you will be able to enjoy clear images in HD clarity like it doesn't have a screen protector.
- Easy Application:** Thanks to the EZ Apply tray and the self-applying design of Glass+, applying the screen protector to your device will be hassle-free, seamless, and accurate.
- Reinforced Edges:** Strengthened bevelled edges help prevent chips and cracks for a smoother, seamless touch every time.
- Easy to Clean:** It is made to resist oil and to prevent fingerprint smears and smudges. You can also clean your screen effortlessly and keep it looking brand new.
- Touch Sensitivity:** Even with screen protection, you will have the same exceptional responsiveness of an unprotected screen. *
