

2degrees Samsung Galaxy A10 Smartphone

Samsung Galaxy A10, a screen with a better view. You'll love to watch videos, play games or scan the internet on the immersive and vibrant 6.2" HD+ screen. Samsung Galaxy A10's Immersive-V Display changes the way you experience your content by putting you right in the action. Featuring a simple design in living colour the Samsung Galaxy A10's slender 7.9 mm body feels like it's made for your hand. Once it's in your grip, you'll never let go. Key Features A camera to capture the moment: Take photos the way you want with the 13MP rear and 5MP front camera for picture-book snapshots. Your memories stay vivid, bright, and clear with the tap of a button, while the Octa Core processor makes everything run smoothly to keep up with how you live life. Enjoy your photos to the fullest: A photo isn't just a photo with Samsung Galaxy A10. Decorate your memories with AR stickers, stamps, and filters to continue the fun even after you nail the shot. Made to focus: One UI helps you focus on what matters. The hardware and software work in harmony to intuitively deliver content and features at your fingertips. Night Mode helps you wind down your day as it turns to a dark mode, going easy on your eyes for a better nights rest. Power for your everyday: Samsung Galaxy A10's 3,400 mAh (typical)* battery is enough for your day-to-day. Whether you're the type to have texting marathons with your friends, watch livestream video, or do what you love, the Samsung Galaxy A10 lasts and lasts. *Typical value tested under third-party laboratory condition. Typical value is the estimated average value average value considering the deviation in battery capacity among the battery samples tested under IEC

under IEC 61960 standard. Rated (minimum) capacity is 3,300 mAh. Actual battery life may vary depending on network environment, usage patterns and other factors.
