

Vodafone Smart V12 4G Smartphone + Prepay SIM Card - Black

Keeping in touch with everyone you know has never been easier with the Vodafone Smart V12 Smartphone + Prepay SIM Card! Packed with a 4000mAh battery and 4G cellular network, Smart V12 lets you stay connected on the go. It also features an incredible Triple Camera system that lets you take stunning photos anytime, anywhere. Key Features Sleek Design: The Vodafone Smart V12 sports a beautiful metallic finish with an extensive 6.52-inch screen display. It also has a slim structure to fit perfectly in the palm of your hands. Secure Your Phone: Enjoy enhanced security as this Vodafone smartphone integrates fingerprint and face detection biometrics. It makes unlocking your device more convenient than ever! Performance You Can Rely On: With its 3GB RAM, MediaTek MT6762D processor and CPU speeds of 1.8GHz x4 and 1.5 GHz x4, the Smart V12 can execute everyday tasks seamlessly. Operating System: The Smart V12 comes equipped with an Android 11 operating system, allowing you to focus on what matters most. Its OS also gives your phone a clean and intuitive interface. Incredible Viewing Experience: Its 1600 x 720 screen resolution lets you play games and watch your favourite shows in full immersion. Triple Camera + Selfie: Thanks to its triple rear camera (13MP, 2MP and 2MP) and single 5MP front camera, you can level up your photography and capture precious moments with loved ones. Battery Life: Have more screen time or stay in touch with family and friends all day long, thanks to this smartphone's 4,000mAh battery capacity. It also includes a micro USB

charger, so you can replenish its battery immediately.

Memory Capacity: The Smart V12 flaunts an ample 32GB internal memory. You can also easily expand the storage of this Vodafone device by adding a microSD card with 512GB of capacity (sold separately).

Seamless Connection: Stay connected online with the device's 4G cellular network feature. It also supports Bluetooth v5.0 technology, which allows you to connect to other devices wirelessly.

Prepay SIM Card: Get the best value for money, as this mobile device includes a Prepay SIM Card. This phone is set up to only work with a Vodafone NZ SIM. To use with another networks SIM, a \$30 unlock fee will apply. See vodafone.co.nz/unlock for information.
