

# Spark Nokia 1 Smartphone

Introducing the Nokia 1 - a stylish and simple smartphone designed to give you everything you need and nothing you don't. It's fun to use and packed with all the good stuff you'd expect from a new device, without the hefty price tag. Key Features Camera: Relive those special moments and stay connected. Capture the world around you with the 5 MP rear camera with LED flash or share selfies and make video calls with the 2 MP front camera. Optimised: Nokia 1 comes with Android 8.1 Oreo (Go edition), optimised so you can use apps faster, without annoying lags. Plus, the pre-loaded apps are designed to use less storage space and data, so you'll be able to do more and fit more photos and apps on your phone. Hardware: Smooth to use, Nokia 1 is full of possibilities. Enjoy 4G LTE connectivity for streaming and surfing. Take advantage of the MicroSD storage card slot to expand storage up to 128 GB. Apps: Nokia 1 doesn't hold back. A powerful experience in our most affordable package, with all your favourite apps like WhatsApp, Facebook, YouTube, Google Maps and many more, literally at your fingertips. You won't miss a beat. This phone is set up to only work with a Spark NZ SIM. To use with another networks SIM, a \$30 unlock fee may apply. See [spark.co.nz/unlockdevice](http://spark.co.nz/unlockdevice) for information.
