

# Harman Kardon Onyx Studio 4 Bluetooth Speaker

Providing the perfect balance of great sound, iconic design, and premium materials, the Onyx Studio 4 is the epitome of room-filling audio. Crafted to be the best sounding, full featured, portable bluetooth speaker in its class, the Onyx Studio 4 offers two device connections, up to 8 hours of playtime and Harman Kardon Connect+, which allows you to connect 100+ speakers with the same feature with the touch of a button. Rounding out the Onyx Studio 4 offerings is a built-in microphone with Voicellogic, echo and noise cancellation for crystal-clear conferencing over the speaker. Key Features Wireless Bluetooth Streaming: Stream music wirelessly via Bluetooth to enjoy room-filling sound. Connect up to 2 smart devices at the same time and take turns playing music. Up to 8 Hours of Playtime: The rechargeable battery supports up to 8 hours of playtime. HK Connect+: Amplify your listening experience by wirelessly connecting more than 100 HK Connect+ enabled speakers. Built-in microphone conferencing system: Noise and echo cancellation enables crystal-clear conferencing Voice integration: Access Siri or Google Now from the speaker with a simple button press. This can be easily configured via the HK Connect app. Premium Materials: The superior fabric and finishing combines with iconic design to compliment any style.

# Features
