

Ultimate Ears MEGABLAST Bluetooth Speaker - Black Graphite

Party all night with Ultimate Ears MEGABLAST Bluetooth Speaker. It features powerful audio, hands-free controls, long-lasting battery performance, and boasts an IP67 structure that allows you to enjoy quality music anytime, anywhere. You can also connect multiple MEGABLAST and BLAST speakers to get immersive, loud sounds for everyone to enjoy. Key Features Ultimate Sounds: MEGABLAST produces sharp, detailed sounds with deep bass thanks to its two 55mm active drivers, two 85mm x 50mm passive radiators, and two 25mm tweeters. Water-proof Design: This speaker can withstand dust and water immersion for up to 1 metre in over 30-minutes thanks to its IP67 rating. Hands-Free: It has Alexa-enabled voice controls that allow you to customize settings, change music, check battery levels, and more using the BLAST app (download required). Party All-Night: Equipped with a rechargeable Lithium-Ion battery, it can last up to 16 hours of playtime, letting you enjoy your favourite beats for longer hours. Wireless Connection: Having a mobile range of up to 45m, MEGABOOM not only supports all smartphones that have Bluetooth but can also pair with up to eight devices at the same time. What's in the Box: 1x ULTIMATE EARS MEGABLAST, 1x Micro-USB, 1x D-Ring, 1x Power, and 1x Quick Start Guide. * Actual battery life will vary with use, settings and environmental conditions.
