

Ariston 60cm Flexi-Zone Induction Cooktop

Cooking is always a breeze with the Ariston 60cm Dual Flexizone Induction Cooktop. The induction cooktop's multiple cooking zones and other innovative features make it ideal for people who love having dinner parties at home. 4 Induction Cooking Surfaces Induction cooking ensures quick and uniform results, easy cleaning and completely safe. Induction with Dual Flexizone Using the Flexizone you can transform two cooking areas to one large area allowing you to use large pots and pans. Double Bridge You can use both Flexizones at the same time allowing the use of two large cooking area's at once. Frameless Design Not only does it look good, but it's easier to clean without the usual steel lip on the edge of your hob trapping dirt and grime. Front Touch Control Easy to reach and safe front touch controls. Child Safety Touch Control To avoid programmed Touch Control commands being accidentally changed, or to stop children from activation them it is equipped with a safety lock. Pan Detection The plate only activates when in contact with the pan, while the rest of the surface remains cold.
