

Electrolux 90cm Pyrolytic Oven with Gas Cooktop

PLEASE NOTE THIS PRODUCT IS NOT AVAILABLE IN ALL STORES BUT CAN BE ORDERED 90cm dual fuel freestanding cooker with gas hob and electric multifunction pyrolytic oven. Pyrolytic self-cleaning oven Introducing an oven that cleans itself. Pyrolytic cleaning removes the need for you to use harsh chemicals to clean your oven. Simply set the Pyrolytic function, come back when it is complete and wipe away the residue. IOI makes cooking easier Experience a simpler, more enjoyable way to cook. Electrolux's unique Intuitive Oven Interface (IOI) makes their ovens so easy to use you won't need a manual. Plus the elegant full colour screen displays temperature and function feedback so you can easily program and check your cooking for impressive results without the extra effort. Huge 125L gross capacity oven Designed for the entertainer and large families, this large capacity 125-litre oven will make catering for every occasion quick and easy. Plus, energy use is also kept to a minimum, despite its size. Twin fan system Cook each dish to perfection with the Twin Fan System. Fans rotate in opposite directions, distributing heat evenly throughout the oven, so you enjoy great results every time. Split grill system Take grilling to a new level of flexibility with the split grill system. Select to utilise both of the powerful grill elements, or just the one, depending on your cooking needs. For further control of your grilling, select to grill on either low or high temperature levels, or with the assistance of the fan. Cool touch door For added safety and confidence in the kitchen, the cool touch door features an innovative door cooling system with quadruple glazed door panels. The design minimises

heat being transferred outside the oven, while ensuring a cooler touch oven door. Innovative wok burner Take your cooking expertise to the next level with our innovative wok burner. With professional levels of power, you will experience super fast heating and amazing results every time. Versatile dual gas valve Enjoy unrivalled adjustability in flame power with the dual gas valve. Go from cooking at the highest maximum temperature to the lowest controlled simmer on the one burner with absolute ease. Stability with flat cast trivets Experience a supremely stable and stylish cooking surface with flat cast rivets. Enjoy peace of mind when cooking with a large heavy pot with the practicality of a flat surface when moving pots and pans across the cooktop. Flame Failure Safety Device For added peace of mind, the flame failure safety device shuts down the gas if the flame becomes accidentally extinguished while cooking. This gives you confidence to use your cooktop at the lowest simmer and also reduces the risk of fire.

Features
