

# WilliamsWarn Dry Stout Brewing Kit

A true Dry Stout with a compelling personality. Our Dry Stout has a black appearance from the crystal malts, roasted malts and roasted barley employed in the grain mix. The result is a great Dry Stout that has liquorice, roasted coffee and chocolate flavours dominating. The prominent hop bitterness level helps elevate the dryness, which comes from the roasted un-malted barley used.

## Features

All Product Details

<b>Brand</b>	WilliamsWarn
<b>Product Type</b>	Personal Brewing Kit
<b>Model</b>	BS1008
