

Robinhood 520mm Integrated Powerpack Rangehood - Black Glass

PLEASE NOTE THIS PRODUCT IS NOT AVAILABLE IN ALL STORES BUT CAN BE ORDERED The RPD series rangehoods have a high powered motor with three speed settings to suit your cooking needs. The perimeter extraction system quickly draws air and efficiently removes smells, smoke and airborne grease particles. Features: Designed to be completely built in. Powerful 1000 M3/H perimeter extraction system optimises air movement, so cooking odours go unnoticed. Modern styling in black glass makes cleaning easy. A recirculation option, for kitchens where ducting your hob to the exterior of the house isn't possible (some ducting may still be required to remove air from cupboard space). Three-speed centrifugal motor, to match your cooking styles. Soft touch electronic controls. LED Lights illuminate the whole cooking area and can be operated independently. Dishwasher safe micromesh filters. Delay timer finishes up after you finish cooking.
