

Sirius Easy Metal Roof 125-150mm Ducting Kit

Keep your kitchen well ventilated with the Sirius Easy Roof Ducting Kit for vented rangehoods. Engineered with high-grade galvanised steel components, this ducting kit offers durable, quality ventilation for most homes. Key Features: Don't just filter smoke and odours back into the room, this Sirius Easy Roof Ducting Kit helps get all of these fumes up and out of your house. Comes with external flashing and cowl for a neat finish on the roof. With flexible, semi-rigid ducting, this kit gives you enough versatility for most homes without sacrificing durability.
