

InSinkerator Near Boiling + Cold Filtered Water Tap - Chrome

PLEASE NOTE THIS PRODUCT IS NOT AVAILABLE IN ALL STORES BUT CAN BE ORDERED The InSinkerator HC900 Instant Hot Water Tap dispenses near boiling filtered hot water from an easily installed under-sink hot water tank, as well as filtered drinking water. This unit produces the perfect temperature for making hot drinks, speeding up the preparation of pasta or vegetables, cleaning dishes and a host of other kitchen tasks. Key Features: Near boiling filtered hot water instantly. Safe, filtered hot or cold drinking water. Tap insulated from heat. Tap available in Chrome. Gentle touch, two lever dispenser. Tap mounted on either the kitchen work surface or sink.(35mm-38mm drilled hole required in the bench-top) Reduces chlorine, lead, and other unpleasant tastes, chemicals and odours from the water. Easy to install 2.5 litre stainless steel tank fitted under sink. Plugs directly into 240v electrical socket close to appliance. Adjustable temperature display on tank. Shut-off valve in filter head automatically stops water flow. Required supply pressure: 172–862 kPa (1.7–8.6 bar) (25–125 psi) Easy to replace filter.
