

# AEG 8kg 6 Series Condensor Dryer

The 8kg condenser dryer with ProSense, 2 energy star rating, OKOFlow filter system and Duvet program. Care for all your fabrics ProSense technology uses advance humidity and temperature sensors to adjust the drying time and energy consumption to suit individual loads whether its a days or a weeks worth of drying. This saves time and energy whilst gently protecting the clothes that you love and wear every day. ProTex Drum The XXL soft pattern drum in combination with the efficient airflow circuit means a more uniform, gentle drying result. A single filter for high efficiency AEG dryers come with an efficient, single filter that is easy to reach and clean. The streamlined airflow dries every load seamlessly and maintains the dryers effectiveness and energy efficiency. Full reversible door With AEG, you have 4 options on where you position your door handle making the machine fully customisable to your laundry needs. Key Features: OKOFlow single filter system Inverter motor Duvet program Delicate settings Auto Off function

## Features

All Product Details

<b>Brand</b>	AEG
<b>Product Type</b>	Condenser Dryer
<b>Model</b>	T6DCE821B

## Drying

<b>Drying System</b>	Condenser 10 Drying Programs 4 Dryness Settings Auto Sensing
<b>Preset Drying Options</b>	Delay Start Delicates Setting Reverse Tumbling Safety lock

## Power

<b>Energy Efficiency</b>	2.0 Star
<b>Max Power</b>	2250W
<b>Power Consumption</b>	358 kWh/yr

## Dimensions

<b>Height</b>	850mm
<b>Width</b>	600mm
<b>Depth</b>	665mm

## Warranty

<b>Manufacturers</b>	60 Months
