

Westinghouse 8kg Top Loading Washing Machine

Westinghouse 8kg top load washing machine with 3 Energy Star rating, Time Adjust function, everyday fast wash programs, Save Favourite and durable glass lid with soft closing. Effortlessly organise your busy life With Time Adjust, you can increase or reduce the total wash times to fit into your life. Plus, when used with the clever Delay End function, you can even decide when you want it to end. Save time with fast wash programs Sometimes you just need to get a few things clean fast and that's where the super Quick 20 minute program comes in handy. The Daily 45 minute program is ideal of your regular loads. Soft Closing, Toughened Glass Lid Westinghouse's soft closing lid closes gently without force. This means no more loud bangs in the laundry and an end to tiny fingers getting in the way. The toughened glass is scratch resistant and can be used as an additional work space in your laundry room, meaning more space, less waste.
