

# Westinghouse 605L French Door Fridge Freezer

A 605L frost free French door refrigerator with a fingerprint resistant stainless steel finish, FlexSpace™ interiors, Spillsafe™ glass shelving, designed to fit inside a 90cm kitchen cavity. Designed to fit a 90cm space with a huge 605L capacity. Designed to fit neatly into a 90cm kitchen cavity. Clever engineering allows it to be installed with minimum gaps on the sides meaning maximum storage for all your fresh produce. Spillsafe glass shelves. From time to time, accidents happen. And when they do, you want to minimise the extent of the damage. Spillsafe™ shelves can capture up to one litre of liquid, so you can contain the spillage to just one shelf instead of the whole fridge. Get organised with the FlexFresh™ Crisper. Not every grocery shop is the same. Sometimes you need extra room for things like celery, while other times you need equal space for your fruit and vegetables. That's where the adjustable crisper divider comes in. Created to provide greater flexibility, it can be adjusted lengthwise to give you the space you need. Adjustable storage solutions with FlexStor™. As your family changes and grows, so do the requirements of your fridge. With FlexStor™ you enjoy the convenience of being able to easily change the configuration, whatever your needs. Adjust the height and position of the door bins to fit in large and smaller items and arrange your fridge your way. Endless possibilities with FlexSpace™. Designed to suit your ever-changing needs, the extra spacious French door design delivers a wider fridge capacity with FlexSpace™. Perfect for party platters or lots of fresh food, you'll love having everything at eye level so you can easily check all the contents with just a glance.
